There is not mention of increases in the hourly rate for rehearsal.
BOHN It is important to have a home and the credibility that Levine offers.
ROSENDALL Space may be available from the DC Commission on the Arts and Humanities.
We can't make decisions in a vacuum; there are other options to investigate.
BOHN Recommends tabling any decision, and looking at options.

BOHN Listed in account #4061; expenses will be in account #6411.

MUSIC DIVISION:
TRINKLEY Proposed that we join Chorus America (annual fees are $60.00 or 1/10% of operating budget), noting that it would be good for us to be members, and that other gay choruses do belong.
Explained some of the benefits of membership

HERMAN — Liked the program, but the Board had a different concept.
Would like to integrate the chorus with other things in the production.

Michael RIVARD and John MORAN have already been approached.

CARRIED

HERMAN — Called for vote on motion.
MOTION CARRIED

TRINKLEY — Sketched out a proposed 1988-1989 concert season.
Proposed a Gala New Years Eve program instead of a December holiday program.
This would depend on chorus and space availability, etc.
This could be "THE GAY EVENT..."
It should be a classy program of Viennese music plus operetta.

TRINKLEY — Would like to do March or April in the Terrace Theater, or other first-rate concert place.
Both April and June should plan for Vancouver and Seattle in July.
Proposed traditional GMCW variety for Vancouver and GALA III, and perhaps a commissioned piece.

TRINKLEY — Would like to continue with GMCW at least through GALA III.
Expressed his concern for GMCW, and how subsequent directors will be selected.
Would LOVE to do Evensong at the National Cathedral, if that could be arranged.

RETTENMAIER — Applauded long-range-planning effort of the Director and Music Division.
We should do the necessary survey work now.

BOHN — Would like to see reports of hall availability, etc. next meeting. We should, also, see what Richmond wants/needs next December.

LESTER — Has anything been started on commissions for next year?

TRINKLEY — We need to proceed quickly if we are to commission for next year. Would like to set aside funds from next year's budget from someone whose music we know--right away if we are looking to a national name.

HERMAN — We have commissions for GALA III; should GMCW be looking at 1990?

ROSENDALL — We should probably be doing more commissioning. But we should do something good.

TRINKLEY — Will look into the possibility of a commissioned piece for GMCW.

SMALL ENSEMBLES AND BUDGETS:

HERMAN — Reviewed performance fees for small ensembles. Setting and collecting fees is a question.

TRINKLEY — We could subsidize groups.

BRAYTON — Referred to the performance fee schedule: Ensembles have the option to waive fees.; Only the ensembles must be approved by the director

BOHN — All funds must be passed through the treasury. Groups should request funds from the treasury through the Board.

SISSON — The guidelines are already set up; let's finish this outside the Board.
